Government has made it clear to Pakistan that the premise on which the present dialouge process is based in the commitment of January 6,2004 by Pakistan not to permit any territory under Pakistan's control to be used to support terrorism in any manner. Pakistan has always denied its role in cross-border terrorism.

During his meeting with US Secretary of State, Dr. Condoleezza Rice on September 15, 2005 in New York, PM conveyed that an end to cross-border infiltration and terrorism was essential if peace process with Pakistan was to be carried forward successfully. He also underlined that the infrastructure of terrorism must be permanently dismantled by Pakistan.
